

**I FEEL  
SLOVENIA**

### **Spring call - GET ACTIVE**

Warm sunny days and the revitalising energy of reawakening nature call you out into the fresh air. It's time to dust off your walking shoes, overhaul your bike and set off on the road. Slovenia is criss-crossed by more than 10,000 kilometres of marked and maintained hiking trails. You can set off into the mountains and enjoy spectacular views from the Alpine peaks, or walk across dreamy plains and rolling hills. Discover the beauty and diversity of green Slovenia from the saddle of a road bike or mountain bike. Explore the astonishing world of subterranean Slovenia and don't forget to indulge yourself at one of the country's spas or health resorts.

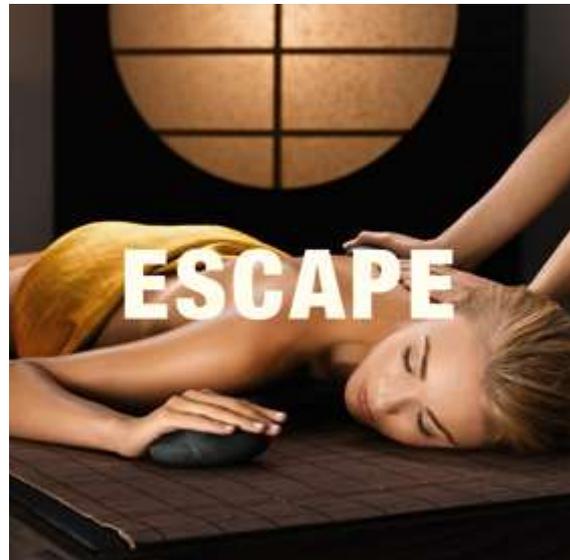

And when you've finished your active experiences, treat yourself to a tasty bite. And with Easter just around the corner, why not find out what dishes are an essential part of a festive Slovenian banquet. You can even try preparing a Slovenian Easter feast yourself.
