### **TRAVEL BAN: TOURISTS BECOMING A GEOPOLITICAL WEAPON**

Tourism has for long mainly been a source of pleasure or a business activity with immense potential. However, to some experts it is inclining to become a geopolitical weapon. The current tense situation in the world makes maneuvers within the tourism industry on a daily basis. Never have there been so many travel bans, restrictions, etc. Not even during the Cold War, even though there are certain examples of tourism limitations in this period as well.
