## NEWS FROM SLOVENIA

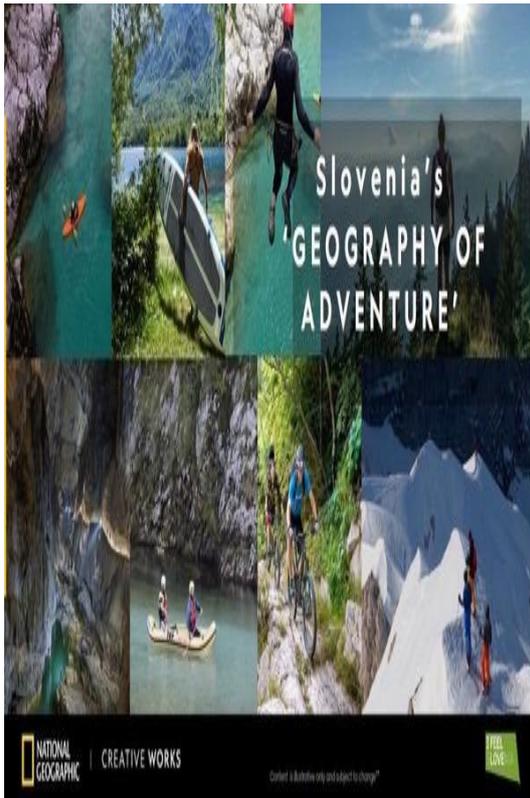

## SPARKLY AND HEARTFULLY. TOGETHER IN 2022.

The last newsletter this year features the review of the most amazing stories related to our green, active and healthy Slovenia in 2021, plus some of the latest stories, which simply deserve to be included; such as [the story of Triglav glacier](#) – a fraction will be brought to Beijing for the Games – the presentation of the [Alpine Slovenia at EXPO Dubai](#), [the National Geographic campaign](#) and the story about how [young artists are reviving legends in historical towns and cities](#).

In the past year, we have proven once again that we can write great stories together. What is more; love for Slovenia is what unites us and inspires us. The land that amazes over and over again; with [green, breath-taking nature](#) , and [sustainably-oriented tourism](#) , which is an example to many. With picturesque towns and friendly countryside, where time stops.

## NATIONAL GEOGRAPHIC CAMPAIGN ON ACTIVE OUTDOOR EXPERIENCES

In November, the STB launched a new campaign in partnership with National Geographic to promote Slovenia as a country of active outdoor experiences.
